

NEW AND INNOVATIVE CHILDREN'S PRODUCTS TAKE MARKETPLACE BY STORM

~A Variety Of Solutions Provides Parents With Unique Essentials And Gifts For Kids In The New Year. ~

Phoenix, AZ – December 1, 2008 - Today, Orca Communications Unlimited LLC announced its selection of the Best Products For Kids Guide, <http://bestproductsmediaguide.info/157/guide.htm> showcasing some of the most innovative, clever and useful products made for children on the market today. In these tough times, parents have become more selective of how they are able to spend their money, including what purchasing choices they make for their children. Demand is higher than ever for quality items that are ideal for their children's wants and needs. From arts and crafts and games, to safety and educational finds, and a little bit of everything else in between, Orca Communications is proud to have selected these products as their top picks for kids:

FingerPrints™ by ColorGoRound, LLC

Let your child's inner artist be expressed with FingerPrints™! This complete art kit contains everything you and your child need to enjoy quality family time together while creating a beautiful finger painting that you can proudly display in your home. Complete with a stylish, gallery frame, FingerPrints™ allows you to forever cherish the time spent with your child. By framing your child's creation, you can rest assured that your child's artwork will not be lost in a drawer, tattered and torn, never to be seen again. Your child will beam with pride when seeing his or her masterpiece hanging in your home. www.colorgoround.com; \$29.95

Sticker Sisters

Encourage the girls in your life to be strong, smart, and proud! Choose the perfect gift from dozens of spunky stickers, t-shirts, and other goodies and gear with celebratory, inspiring messages such as "girls rock" and "girls can do anything" for girls of all ages. The collection includes adhesive

bandages, called "Brave Girl-Aids," for the skinned knees and other boo boos that brave girls are bound to get. www.stickersisters.com; \$1.00 and up

BackTPack

Finally a solution to the painful backpack slump! Designed by a physical therapist/mom and endorsed by The American Physical Therapy Association, this revolutionary ergonomic carrying system encourages proper alignment of the skeleton while reducing posture-related pain. With a recent study indicating 68% of school kids had pain related to backpack use, the BackTPack is the healthy alternative to a backpack for school or everyday use. www.backtpack.com; \$55.00-\$75.00

My Tot Clock

My Tot Clock is an all-in-one sleep aid, alarm clock, nightlight, timer, and white noise machine for young children ages two to five. It uses a variety of colored lights as reminders to teach your child when it is time for bed, naptime, or when to start their day. Great for those young enough to start learning a daily routine, but not old enough to be able to tell time!

Camper Alert Safety Bracelets

"Arm" your child with valuable information when they are away from home with Camper Alert child safety bracelets. Bright, bold, and sturdy enough to withstand the normal rough and tumble play of kids, these rubber

bracelets will provide instant access to important information about your child in an emergency. www.hopepaigedesigns.com; \$14.95 - \$19.95

BuckleyBoo

BuckleyBoo is a one of a kind collection of stuffed critters with bright colored ribbons and five different buckles across their tummies that tiny fingers love to explore! Created by a grandma and a psychologist, Buckleyboo helps children develop fine motor, visual, and spatial skills as they learn over and over again to match, buckle and unbuckle BuckleyBear, BuckleyCat, BuckleyDog, or BuckleyBunny. www.buckleyboo.com; \$29.99

Baby Gerkins

Delightful, light-hearted sayings adorn the entire Baby Gerkins collection, sharing some of the most important "lessons of life" through the eyes of children. From 100% super-soft cotton onesies & rompers for your little one to play or nap in, to cheerful bibs for mealtimes, adorable caps and "God Bless You" baby totes, Baby Gerkins inspires laughter and smiles in even the tiniest of hearts. www.babygerkins.com; \$5.99 to \$32.00

Family Dinner Games

FamilyTimeFun introduces two unique games for families to play while they eat! The first - Gather 'Round Restaurant Game offers families a whole new way to enjoy lunch and dinner at restaurants. With just the push of a button, this game adds fun to your waiting time and lots of laughs to your meals. Gather 'Round Dinner Game makes family dinners at home more fun, too! Encouraging kids to eat their veggies and finish their milk, this clever game offers 132 dinnertime activities to play during family meals! www.familydinnergames.com; \$24.95

Barbamel Books, Inc.

That Baby DVD and That Baby CD

That Baby DVD and That Baby CD are children's music products unlike any you've ever seen or heard! They feature kid-friendly acoustic covers of songs written by Bruce Springsteen, Fleetwood Mac, Joni Mitchell, Natalie Merchant, and more. The DVD combines this music with colorful visuals of kids at play, nature, puppets, and animation. Made in the USA using recycled materials. www.thatbabydvd.com; \$24.95 for DVD, \$14.95 for CD

Babycapes

Struggling to get your little ones in and out of their car seats or strollers with bulky winter coats on is a hassle, but more importantly it's a safety hazard. Safety experts have concluded the force of a collision could cause the coat to compress and actually eject the child from the baby seat.

Babycapes offers an ingenious solution - a luxe, custom-made garment with convenient front and back openings which provide easy access to harness straps and allow your child to slip safely and easily into their car seat or stroller. No unbundling required! One size fits all from newborn to preschooler for maximum use! www.BabycapesOnline.com; \$79-\$99

Frecklebox

There is nothing more exciting than watching your child's face light up

when seeing their name in print! Now, with Frecklebox's personalized story books, posters and coloring books, your little one will delight in reading their very own story or in creating a personalized masterpiece. Nothing thrills a child more than seeing their name in images. They will love to read or color these books over and over again since they are the star.

www.frecklebox.com; \$6.95-\$34.95

Socket-Lockits

Socket-Lockits are brand new electrical outlet covers that provide peace of mind to parents by protecting kids from getting shocked. Socket Lockits are made with an innovative self-locking mechanism so that little fingers can't remove the outlet cover themselves- but grown-ups can. Socket-Lockits are not just safe, they're stylish. Available in a variety of designs and can be custom made to match fabrics and photos for any room decor.

Sold at www.kangaroodle.com; www.fuzzyme.com. \$4.99 - \$5.99
